“Redefining vulnerability
in the era of COVID-19”

sentence & picture from
LANCET GLOB HEALTH 2020

VISION

- 1) To gather together the most renowned **Key Opinion Leaders** from all around the world delivering **TOP QUALITY EDUCATION** generating **HUMANITARIAN SUPPORT**

MISSION

- 1) **12 MODULES** with 4 recorded VIDEO LESSONS each, available in a dedicated platform
- 2) **12 Webinars** providing further content to the twelve previously recorded modules
- 3) Most renowned **KEY OPINION LEADERS** in the faculty, from all around the world
- 4) Access by **INDIVIDUAL CODE** obtained by making a free donation or provided by industry donors
- 5) Community software inclusion with possibility of internal networking among attendees
- 6) **CERTIFICATE** upon completion of the course. Requested International **CME credits**
- 7) All the proceedings will be dedicated to **FOOD PROJECTS** and reported on World Food Day

All proceedings in support of food projects

WEBINARS CALENDAR **FOOD for VEINS**

Sunday, JUNE 7; 4 - 5.30 PM (gmt+2)

✓ Before the WEBINAR, ENJOY the recorded VIDEO LESSONS of the WEBINAR HONOR CHAIRS in the dedicated platform www.vwinfoundation.com/v-learning

Module 1. **LOWER LIMB VENOUS DISEASE CLINICAL ASSESSMENT**

04.00 – 04.05 Rationale: Bottini Oscar, Chi Yung Wei, Giancesini Sergio, Santiago Raquel

04.05 – 04.20 KEYNOTE SPEAKER: [Lurie Fedor](#) (Jobst Vascular Institute, USA)

NEW CEAP CLASSIFICATION , NEW OUTCOME MEASURES IN VENOUS DISEASE

04.20 – 04.30 EXPERTS QUESTION: Lattimer Christopher (Imperial College London, USA)

Liew NC (Putra University, MALAYSIA)

Simkin Roberto (Argentina Venous-lymphatic Surgery College, ARGENTINA)

Uhl Jean-francois (International Compression Club, FRANCE)

04.30 – 04.39 OPEN QUESTIONS

04.40 – 04.55 KEYNOTE SPEAKER: [Gloviczki Peter](#) (Mayo Clinic, USA)

PRACTICE GUIDELINES CRITICAL USE & APPROPRIATE USE CRITERIA FOR BEST VENOUS OUTCOMES

04.55 – 05.05 EXPERTS QUESTION : Mansilha Armando (Porto University, PORTUGAL)

Pittman Chris (American Vein & Lymphatic Society, USA)

Santiago Fabricio (Instituto Doenca Venosas y Linfatica, BRAZIL)

Shaydakov Evgeny (St. Petersburg University, RUSSIA)

05.05 – 05.15 OPEN QUESTIONS

05.15 – 05.30 COMMENTS from the webinar HONOR CHAIRS

05.30 Closing

05.30 Closing

(top KOLs who delivered recorded video lessons in the Food 4 Veins platform) :

Hussein Emad (Ain Shams University, EGYPT)

Lee Byung Boong (George Washington University, USA)

Rockson Stanley (Stanford University, POLAND)

All proceedings in support of food projects

LANCET GLOB
HEALTH 2020
"Lockdown policy
can exacerbate
health inequalities
and the
consequences need
careful consideration
to
avoid reinforcing the
vicious cycle between
poverty
and ill health"

VEINS for FOOD global CAMPAIGN

- 1) All the proceedings of the project will be used to support projects related to starvation.
- 2) A report will be delivered on October 16, 2020 (WORLD FOOD DAY).
- 3) All vein centers can apply to become a “Veins for Food” center by donating the equivalent of one venous procedure proceeding per month to food projects.
- 4) All the Faculty taking part in the educational activity for free will be recognized as “FACULTY DONOR”
