

# COVID control POLICY

v-WINter 2022 meeting is under the auspices of the same

[Dubai Health Authority](#)

and is in constant contact with the related global health institutions.

The meeting will follow a **strict COVID-free policy**, as per the following bullet points:

## 1. TRAVELING TO DUBAI

Dubai is OPEN to tourism.

A **negative COVID-19 PCR** certificate for a test taken less than **72 hours** before landing in Dubai is required. (VERIFY here: <https://www.emirates.com/it/english/help/covid-19/dubai-travel-requirements/tourists>)

Before the return flight, PCR testing is made available even in the same **meeting room** as well as in the attendees **private hotel** room.

## 2. v-WINter MEETING ROOMS ACCESS

The meeting organization requires attendees wear a **certified mask**.

The meeting organization will provide **for free FFP2 masks** to all the 300 attendees.

The meeting will host **maximum 300** in person attendees, divided in **3 rooms** that, before COVID, were meant for 1500 people.

Food & Beverage will be delivered according to the **Food & Drug Administration** indications (<https://www.fda.gov/food/food-safety-during-emergencies/best-practices-retail-food-stores-restaurants-and-food-pick-up-delivery-services-during-covid-19>),

with maximum care in proper social distancing.

## 3. COVID INSURANCE

Emirates flights purchase includes COVID insurance

(for details: <https://www.emirates.com/it/english/before-you-fly/covid19-medical-travel-insurance>).

In case of flight with other airlines, the meeting organization can provide third parties contacts for insurance needs.
