

preliminary program

May 25-27, 2023

ITALY '23

VITAL steps
in Vein & Lymphatic care

non-profit educational digital & editorial project

	May 25	May 26	May 27	
7.30	Team Building	v-WIN Global Projects Synergy @ breakfast	International Multi-Specialty Global Projects Synergy @ breakfast	
08.00			Superficial Venous Treatment Advancements	OPEN Data from the Operating Room
08.30		Take A Seat with the KOLs coffee break		
09.00				Vein management Improvement Thanks to Activation of Legislators
09.30		Take A Seat with the KOLs coffee break		
10.00				
10.30		Ultra Science technology		
11.00			Take A Seat with the KOLs coffee break	
11.30	Lunch Opening Ceremony Honorary Lecture: Guidelines	Food for Veins Lunch	Food for Veins Lunch	
12.00				Honorary Lecture: Sclerotherapy 2047
12.30				
13.00	Science & Innovation in Globalization	Medical Education Drives Inovation	Thrombosis & Deep Venous advancement	
13.30				Guiding Prescription by Science
14.00				
14.30	Honorary Lecture: Quality of Life	Venous Active Drugs Advancements	Selected Evidence Based Comments from the world	
15.00				Take A Seat with the KOLs coffee break
15.30				
16.00	Results Along the Years	Venous Active Drugs Advancements	Multi-specialty projects trigger report	
16.30				Take A Seat with the KOLs coffee break
17.00				
17.30	WORKSHOPS Advisory Boards Lagoon Walk			
18.00		WORKSHOPS Advisory Boards Lagoon Walk		
18.30	WORKSHOPS Advisory Boards Lagoon Walk		CLOSING CEREMONY	

08-11 **TEAM BUILDING**

11.30 **LUNCH OPENING CEREMONY**

12.00-12.10 **the VITAL rationale** ()

12.10-12.20 **the VITAL auspices** ()

12.20-12.26 **the VITAL support** ()

12.26-12.30 **the VITAL audience** ()

12.30-12.40 Honorary Lecture:

**international guidelines in everyday national practice:
difficulties & opportunities**

Gordon G (GRADE co-chair, McMaster University, CANADA)

12.40-12.45 **Honorary comment:** Rockson S (Stanford University, USA)

12.45-12.55 Audience free comments

13.00 – 14.30 **Science & Innovation in Globalization**

Moderators: (N AM), (EUR), (EUR), (MID EAST), M (ASIA)

13.10-13.20 **The phlebo-lymphology PRESENT we live in** ()

13.20-13.30 Open discussion (starter: N AMERICA)

13.30-13.40 **Technical aspects we would like all the HCP KNOW** ()

13.40-13.50 Open discussion (starter: EUROPE)

13.50-14.00 **The Phlebo-Lymphology FUTURE we would like to see** ()

14.00-14.10 Open discussion (starter: N.AMERICA-ASIA)

14.10-14.15 **award presentation** (TBD)

14.15-14.20 Discussant: (FRANCE)

14.20-14.25 Moderators final remarks.

14.30-14.40 Honorary Lecture

Patients Reported Outcome: homeworks, tips & tricks for the next decade

Launois R (French Society of Health Economics, FRANCE)

14.40-14.45 **Honorary comment:** (Porto University, PORTUGAL)

14.50 Audience free comments

15.00 – 15.30 **TASK:** Take A Seat with the KOLs coffee break

15.30 –17.00 **VENOUS ACTIVE DRUGS VISION: THE Results Along the Years**

Moderators: (N AM), (S AM), (EUR),

(EUR-ASIA), (ASIA)

15.30-15.40 **The phlebo-lymphology PRESENT we live in** ()

15.40-15.50 Open discussion (starter: AMERICAS)

15.50-16.00 **Technical aspects we would like all the HCP KNOW** ()

16.00-16.10 Open discussion (starter: EUROPE)

16.10-16.20 **The Phlebo-Lymphology FUTURE we would like to see** ()

16.20-16.30 Open discussion (starter: ASIA)

16.30-16.40 **award presentation** (TBD)

16.40-16.50 Discussant: (POLAND)

16.25-16.30 Moderators final remarks.

17.00 – 18.30 **DEVICES VISION: INVAM.ED.U**

Moderators: (N AM), (EUR), (EUR-ASIA),
(EUR-MID EAST), (ASIA)

13.10-13.20 **The phlebo-lymphology PRESENT we live in** ()

13.20-13.30 Open discussion (starter:, EUR-ASIA)

13.30-13.40 **Technical aspects we would like all the HCP KNOW** ()

13.40-13.50 Open discussion (starter: EUROPE)

13.50-14.00 **The Phlebo-Lymphology FUTURE we would like to see** ()

14.00-14.10 Open discussion (starter: , AMERICAS)

14.10-14.15 **INVAMED award presentation** (TBD)

14.15-14.20 Discussant: (SPAIN)

14.20-14.25 Moderators final remarks.

THR, May 25

FRI, May 26

18.30 – 19.30 **DEDICATED WORKSHOPS**

19.30 **Ca'Tiepolo Dinner**

2023 V-ITALy FRIDAY

07.00-08.30 **Starting off on the right foot @ breakfast**

(v-WIN global synergy projects presentation)

07.35-07.40 **v-WIN past, present & future** (, ITALY)

07.40-07.45 Open discussion (starter:, USA)

07.45-07.50 **In Venous Veritas project** (, FRANCE)

07.50-07.55 Open discussion (starter:, MALAYSIA)

07.55-08.00 **v-HELP next step** (, TRINIDAD)

08.00-08.05 Open discussion (starter: C RICA)

08.05-08.10 **Vein Week call** (, PARAGUAY)

08.10-08.15 Open discussion (starter:, MEXICO)

08.15-08.25 Open discussion

08.30 – 11.00 **SUPERFICIAL VENOUS TREATMENTS ADVANCEMENTS**

Moderators: (S AM), (AFRICA), (EUROPE),
(ASIA),

Pre-congress on demand **T**riggering **O**pportune **P**hlebo-lymphology lectures.

Evidence-based state of the art & future research needs of:

SCLEROTHERAPY

(, AUSTRALIA)

VEIN SURGERY

(, UK)

ENDOVENOUS LASER ABLATION

(L, USA)

RADIOFREQUENCY

(, GERMANY)

GLUE

(, USA)

MOCA & innovative devices

(, ITALY)

Selection of VITAL topics received in the V-ITALy survey

(, PERÙ)

OPEN ROUND TABLE (starters:)

FRI, May 26

11.00 – 11.30 **TASK: Take A Seat** with the **KOLs** coffee break

11.30 – 13.00 **GRADUATED COMPRESSION ADVANCEMENTS**

Moderators: (S AM), (N AM), (EUR), (ASIA)

Pre-congress on demand **T**riggering **O**pportune **P**hlebo-lymphology lectures.

Evidence-based state of the art & future research needs of GRADUATED COMPRESSION in OCCUPATIONAL, LIFESTYLE & SPORT

(, ITALY)

VEIN-LYMPHATIC SYMPTOMS & SIGN CONTROL

(, JAPAN)

PERIPROCEDURAL SETTING

(, USA)

THROMBOSIS MANAGEMENT

(, ITALY)

MULTI-SPECIALTY SETTINGS

(, AFRICA)

ADJUSTABLE WRAPS USE

(, USA)

Selection of VITAL topics received in the V-ITALy survey

(, BRAZIL)

OPEN ROUND TABLE (starters:)

13.00– 14.00 **Food for Veins** Lunch

14.00 – 14.10 Honorary Lecture:

Sclerotherapy 2047: the future we'd like to see

(International Union of Phlebology)

14.10-14.15 **Honorary comment:** Tessari L (ITALY)

14.15-14.25 Audience free comments

14.30 – 15.30 **Medical Education Drives Innovation**

Moderators: (N AM), (EUR), (EUR),

(MID EAST), (ASIA)

14.35-14.43 **The phlebo-lymphology PRESENT we live in** ()

14.43-14.48 Expert discussant (, EUR)

14.50-14.58 **Technical aspects we would like all the HCP KNOW** ()

14.58-15.03 Expert discussant (, USA)

15.03-15.11 **The Phlebo-Lymphology FUTURE we would like to see** ()

15.11-15.16 Expert discussant (, ASIA)

15.16-15.21 Open Discussion

15.21-15.25 Moderators final remarks.

15.30 – 16.30 **Guiding Prescription by Science**

Moderators: (N AM), (LATAM), (EUR),
(EUR), (ASIA)

FRI, May 26

SAT, May 27

15.35-15.43 **The phlebo-lymphology PRESENT we live in ()**

15.43-15.48 Open discussion (starter:, EUR)

15.50-15.58 **Technical aspects we would like all the HCP KNOW ()**

15.58-16.03 Open discussion (starter:, AFRICA)

17.03-17.11 **The Phlebo-Lymphology FUTURE we would like to see ()**

16.11-16.16 Open discussion (starter:, ASIA)

16.16-16.21 Open Discussion

16.21-16.26 Moderators final remarks.

16.30 – 17.00 **TASK: Take A Seat** with the **KOLs** coffee break

17.00 – 18.30 **VALIDATED VENOUS ACTIVE DRUGS**

Moderators: (N AM), (EUR), (AFRICA), (ASIA)

Pre-congress on demand **Triggering Opportune Phlebo-lymphology lectures.**

Evidence-based state of the art & future research needs of Venous Active Drugs for:

EARLY DISEASE & PROGRESSION MANAGEMENT

(, USA)

VEIN-LYMPHATIC SYMPTOMS & SIGN CONTROL

(, PORTUGAL)

PERIPROCEDURAL MANAGEMENT

(, SPAIN)

THROMBOSIS MANAGEMENT

(, TURKEY)

MULTI-SPECIALTY MANAGEMENT

(, ITALY)

Selection of VITAL topics received in the V-ITALy survey

(, FRANCE)

OPEN ROUND TABLE (starters:)

18.30 – 19.30 **DEDICATED WORKSHOPS**

19.30 **Lagoon Dinner**

2023 V-ITALy SATURDAY

(International Societies global synergy projects presentation)

07.35-07.40 **Near East North Africa (NeNa) projects** (, GEORGIA)

07.40-07.45 Open discussion (starter:, FRANCE)

07.45-07.50 **All Latam Engagement project** (, ARGENTINA)

07.50-07.55 Open discussion (starter:, SPAIN)

07.55-08.00 **International free projects presentation**

(Starter:, C RICA)

08.00-08.20 Open discussion

08.20-08.25 Wrap up

FRI, May 26

SAT, May 27

08.30 – 09.30 **OPEN Data from the Operating Room**

Moderators: (N AM), (EUR), (MID EAST), (ASIA)

08.35-08.43 **The phlebo-lymphology PRESENT we live in ()**

08.43-08.48 Expert discussant (, EUR)

08.50-08.58 **Technical aspects we would like all the HCP KNOW ()**

08.58-09.03 Expert discussant (, N AM)

09.03-09.11 **The Phlebo-Lymphology FUTURE we would like to see ()**

09.11-09.16 Expert discussant (, ASIA)

09.16-09.21 Open Discussion

09.21-09.25 Moderators final remarks.

09.30 – 10.00 **TASK: Take A Seat** with the **KOLs** coffee break

10.00 – 11.30 **Vein management Improvement Thanks to Activation of Legislators**

Moderators: (Italian Board of Physicians), (EUR), (EUR-ASIA),

(EUR-MID EAST), (ASIA)

10.10-10.20 **Health Misinformation Clinical impact (, v-WIN foundation)**

10.20-10.30 Open discussion (starter: Italian Ministry of Health delegate)

10.30-10.40 **Health Misinformation Legal impact (, Ministry of Justice, ITALY)**

10.40-10.50 Open discussion (starter: Georgia Ministry of Health delegate)

10.50-11.00 **CODE: “appropriateness” (, USA)**

11.00-11.15 Open discussion (starter: UN, EU & FDA delegate)

11.15-11.25 Open discussion

11.30 –13.00 **Ultra Science technology**

Moderators: (N AM), (S AM), (EUR),

(EUR-ASIA), (ASIA)

11.30-11.40 **The phlebo-lymphology PRESENT we live in ()**

11.40-11.50 Open discussion (starter:, N AM)

11.50-12.00 **Technical aspects we would like all the HCP KNOW ()**

12.00-12.10 Open discussion (starter: , EUROPE)

12.10-12.20 **The Phlebo-Lymphology FUTURE we would like to see ()**

12.20-12.30 Open discussion (starter:, ASIA)

12.30-12.40 **Philips award presentation (TBD)**

12.40-12.50 Discussant: (SAUDI ARABIA)

12.50-12.55 Moderators final remarks.

13.00– 14.00 **Food for Veins** Lunch

14.00 – 14.10 Honorary Lecture:

the LAB we all should know

Diaz J (Vanderbilt University, USA)

14.10-14.15 **Honorary comment:** Raffetto J (Harvard University, USA)

14.15-14.25 Audience free comments

14.30 – 15.30 **THROMBOSIS & DEEP VEINUS advancements**

Moderators: (S AM), (N AM), (EUR), (AFRICA),

(ASIA)

Pre-congress on demand **T**riggering **O**pportune **P**hlebo-lymphology lectures.

Evidence-based state of the art & future research needs of:

THROMBOTIC RISK ASSESSMENT

(, AUSTRALIA)

THROMBOPROPHYLAXIS

(, BRAZIL)

THROMBOLYSIS

(, GERMANY)

POST-THROMBOTIC SYNDROME MANAGEMENT

(, INDONESIA)

PELVIC VENOUS DISORDER MANAGEMENT

(, USA)

Selection of VITAL topics received in the V-ITALy survey

(, EGYPT)

FRI, May 26

SAT, May 27

15.30 – 16.00 **TASK: Take A Seat** with the **KOLs** coffee break

16.00-17.00 **Best Decisions for APPROPRIATE vein care**

Moderators: (N AM), (EUR), (MID EAST), (ASIA)

16.03-16.11 **The phlebo-lymphology PRESENT we live in ()**

16.11-16.16 Expert discussant (, EUR)

16.18-16.26 **Technical aspects we would like all the HCP KNOW ()**

16.26-16.31 Expert discussant (S AM)

16.33-16.41 **The Phlebo-Lymphology FUTURE we would like to see ()**

16.41-16.46 Expert discussant (, ASIA)

16.46-16.51 Open Discussion

16.51-16.55 Moderators final remarks.

17.00-17.30 **Selected Evidence Based Comments from the world**

Moderators: (N AM), (S AM), (EUR), (EUR-ASIA)

S AM best comment

(TBD)

N AM best comment

(TBD)

EUR best comment

(TBD)

AFRICA best comment

(TBD)

ASIA best comment

(TBD)

17.30-18.00 **Multi-specialty projects trigger**

Moderators: (OCEANIA-ASIA), (S AM), (N AM), (EUR)

17.35-17.43 **World Society of Orthopaedics actions on thrombosis awareness**

(Society President)

17.43-47 Discussant (Caprini J, USA)

17.47-17.55 **European Board and Colelge of Obstetrics & Gynaecology**

(Society President)

17.55-18.00 Discussant (Lazarashvili Z, GEORGIA)

18.00-18.30 **Executive Committee call & report**

18.30 **Closing Ceremony**
