

Our customers are at the center of our every action. To help them feel their best, it is VITAL for us to be on top of the state of science, to foster relationships with KOL's, to encourage collaboration. Certainly a bonus if a good time is part of the game...

Suk-Woo Ha
Group CEO SIGVARIS GROUP

For us, it is VITAL to fill our Sigvaris experience with life. I'm here to support in creating awareness for compression, to share initiatives globally, and to exchange on how to help our patients even better. And of course to enjoy Italy...

Karla Muniz
CEO SIGVARIS GROUP México

It is VITAL to close educational gaps to find the best solution for patients. Looking forward to exchange on this in the next days! By doing everything we can to contribute to patient's best treatment, we deliver on our promise. Developing great and effective compression products is only one part of our mission.

Dr Celso Cintra
CEO SIGVARIS GROUP South America

It is VITAL for me to regularly zoom out of the daily business, get an overview over the latest insights and actively seek dialog with other experts to foster exchange from a solution-oriented point of view.
