REGULATION

All submitted abstract will be peer reviewed blindly by an ad hoc Scientific Committee.

The meeting is focused on evidence-based analysis.

Thus, pertinent references must be reported both in the abstracts and in the eventual study presentation during the meeting.

- Word count: 300 words in BACKGROUND, METHODS, RESULTS, DISCUSSION format.
- Tables & figures equal to 25 words each. Figure legends are included in the word count.
- Abstracts already presented and/or published elsewhere are accepted.

EVALUATION GRID:

The scientific committee will fill in the below reported grid, delivering the detailed scores to all the abstract submitters.

It's the hope of the meeting organization that, in this way, submitters are informed in advance regarding the evaluation system and that transparency is promoted.

	STUDY DESIGN & STATISTICAL ANALYSIS (0 TO 10)*	PRESENTATION OF THE BACKGROUND, RESULTS AND DISCUSSION (0 TO 10)	KNOWLEDGE IMPROVEMENT IN THE INVESTIGATED TOPIC (0 TO 10)	CONTRIBUTION TO INNOVATION (0 TO 10)	POTENTIAL IN TRIGGERING DISCUSSION (0 TO 10)	TOTAL

**Abstract graded under 6 for study design & statistical analysis won't be accepted.*

BENEFITS & AWARDS:

Abstracts can be submitted by whoever author. Selected works will receive free registration for the presenter.

The best works will receive accommodation, free registration and faculty inclusion for the 2027 v-WIN foundation World Congress.

If the abstract will be presented by a younger than 40 yo speaker, he/she will be eligible for an additional dedicated award (accommodation and registration to attend a v-HELP humanitarian and educational mission).

“YOUR LANGUAGE-YOUR POSTER” INITIATIVE:

v-WIN foundation Scientific Committee is made by top experts coming from all around the world.

Submit your abstract in your language and v-WIN foundation tutors will be available for reviewing it and eventually accepting it as poster presentation. The best posters will receive free registration to one of the next v-WIN foundation related events.

SUBMISSION:

Submission deadline: Oct 17, 2026

Send a mail to: info@vwinfoundation.com including:

- Title
- Authors
(underline the presenting author, who can also not be the first author in order to win the award)*
- Affiliation
- Eventual statement declaring the interest of participating to the **“your language-your poster”** initiative
- Structured abstract with references

**An over 40 yo author can still be the first author of the abstract while having a younger than 40 yo presenting the work, so making him/her eligible for the dedicated award. In case the over 40 yo author is not having contacts with a younger than 40 yo colleague, v-WIN foundation has a list of top quality younger than 40 yo talented speakers available to be twinned in the above mentioned work, so also favouring a tutor-mentor relationship among the over and younger than 40 yo colleagues.*

The scientific committee will receive the abstract without authors and affiliation information. The selection process will be communicated on **Oct 15, 2026**. The winner will be selected after the committee evaluation of the speaker performance during the closing ceremony of the event. In order to receive the award the winner must be present.

EVIDENCE-BASED COMMENTS :

V-ITALy Global summit welcomes also the submission of evidence-based comments **in all languages**. For info visit: <https://vwinfoundation.com/legathering-abstract-submission/>
